STAT

2. We have no objection to downgrading those NIE's and SNIE's on the the list attached to your letter 27 May 1983.

3. The copy of the DIA letter dated 11 May 1983, subject: Systematic Declassification Review of NIE's and SNIE's, is appreciated. The ITAC agrees with paragraph 3 of that letter. ITAC will defer to the CIA judgement. However, if the CIA reviewers encounter foreign military intelligence-related information for which they are having difficulty in making a declassification decision, those cases should be referred for ITAC review.
